In past years, at this time, I have always told you about how great the annual All GM Car Show was. This year, with our editor's help, I am going to show you the smiling faces of all the movers and shakers who helped put the show together.

Don't forget - July is the month in which we elect chapter officers. So come forth if you have political ambitions. July is also the time to renew your membership. You are supplied a membership application with this issue. Please fill it in and enclose your check. Don't miss a Bombsight!
