

BOMBSIGHT

The Bombsight is published by the Los Angeles Chapter of The Buick Club of America.

The Los Angeles Chapter Logo reflects who we are and what we do. Our members' cars are used in motion picture and TV productions.

Dedicated to the preservation and restoration of the automobiles built by The Buick Motor Division.

Several Good Reasons for Receiving and Reading the Bombsight Newsletter

Steve Rostam, and Tour Coordinator, Dennis Erickson promised us several interesting and fun trips for 2009. As you fill out your application for 2010, I think you will agree that this has been a banner year for the L. A. Chapter.

Sunday, March 29, we caravanned to the Ronald Reagan Library, followed by a Poker Run to the beach at Malibu.

There was an ample supply of Buicks at the San Gabriel Valley All Buick Show in Crescenta Valley Park on May 2. It is our practice to bring our cars to neighboring chapter's car shows. In turn, we welcome the other chapters and their cars to our All GM Car Show.

On Saturday, June 13, we went cherry picking in the Leona Valley and then the poker fever took over and we had a Poker Run to Lake Hughes. Stay tuned, sometimes these runs get exciting.

After an early start, the third tour and trip was to the Santa Paula Airport. After lunch at the Airport restaurant, we went through the interesting back roads to Ojai. And then, after a walk through the street mall, we pointed our Buicks toward home.

Sunday, June 28, 2009, the Los Angeles Chapter sponsored the 11th annual All GM Show. This show, larger than ever, brought 446 fine GM cars together, including 87 Buicks. 2009 was truly a good year for the L.A. Chapter of The Buick Club of America. Read it in the Bombsight.
